As we begin to see hints of warmer weather, we invite you to join us at Mohawk Community Library for an informative event that is being held in partnership with The Ohio State University Extension office. The “Planning, Planting and Perfecting Your Garden” program is ideal for both seasoned and new gardeners seeking to enhance their understanding of gardening.

In addition to the topic of gardening, information will also be shared about the spotted lanternfly. This portion of the program will offer crucial insights on how to identify and manage this invasive species, helping to keep your garden flourishing.

Seize this chance to connect with fellow gardening enthusiasts and broaden your horticultural knowledge!

This informational gardening session will be held in the meeting room at Mohawk Community Library. The event will take place on Thursday, April 17 at 6:00 PM.

1000 Books Before Kindergarten Program Completion

Mateo Fillmore

Mohawk Community Library is excited to celebrate two young patrons who, with the support of their families, have finished the 1000 Books Before Kindergarten Program!

Congratulations to Mateo Fillmore, who completed the program on March 3. Mateo is the son of Torry and Taylor Fillmore.

Tanner Brady completed the program on March 20. Tanner is the son of Carl and Tiffany Brady. Well done!

This achievement may sound daunting, but it truly is attainable by consistently reading with your child over time! Stop by the library if you have questions about the program or if you would like to register a child!

April Storytime

Visit Storytime this month and hear all about seasonal favorites for the month of April: bunnies, birds, trees and more! Storytime is recommended for children ages 3-7.

TREAT YOURSELF TO A GOOD BOOK!

Mohawk Community Library
Winter Reading Program

Winter Reading Program Wrap-Up

Thank you to all who participated in our Winter Reading Program, "Treat Yourself to a Good Book." A total of 76 youth participants did just that, treating themselves to nearly 1,500 books! We also had 51 adults participate in our program reading approximately 310 books. We are grateful to all of our patrons that helped to make our winter a little sweeter!

Though our winter program has just ended, we already have plans in the works for summer reading, "Color Our World," which will take place from June 2 through July 12. During that time, we look forward to exploring the themes of art and creativity with everyone! Stay tuned over the next few months for more information!

Coloring Page Design Deadline Extended

Mohawk Community Library is putting together a summer themed coloring book that includes original artwork made by our patrons! Designs should be submitted on the required form and completed in black marker. Entries should be appropriate for viewing by all ages and cannot include any characters, logos, copyrighted or trademarked materials. Participants of all ages are invited to submit a design and submissions are due by April 30. All participants will be included in a drawing for a colorful prize!
