As the busy holiday season commences, Mohawk Community Library invites you to drop in for a holiday book festival. This event will feature displays including a variety of holiday books that represent different literary genres. Attendees will have the opportunity to browse books that may be of interest to them and explore categories of books that they might not have considered on their own.

Aside from checking out books, those that attend the festival will have the opportunity to participate in holiday themed activities and enjoy snacks and drinks. Event guests will also have the opportunity to win prizes and interact with other community members.

The holiday book festival will be held as an open house style event on Monday, November 18 from 5:00 pm - 7:00 pm and Tuesday, November 19 from 10:00 am - 1:00 pm. Stop in during those times and check out one or several books to help you get into the holiday spirit!
